** Coming November 2021! CWHF will host a special online event featuring our 2021 Inductees - Leaders in Social Justice. Speaking live, Teresa Younger and Kica Matos will share their stories, including visions, challenges and goals for a future where diversity, inclusion and equality break all barriers of discrimination.*

Your Sponsorship Matters

COVID-19 has created many challenges for our community, and women and students are particularly impacted. At the Hall, we are working diligently to ensure that our educational materials are available online while parents, students, and community members work from home and that our work remains relevant to the times. We are moving forward to offer even more programs that support our community's educational needs, from collaborating with our Partners to offer virtual educational events like at-home STEM workshops, to our new webinar series, "A Conversation Between", which creates a forum for women to discuss issues that matter to them with leaders in our community. Proceeds from our Annual Induction Ceremony support these efforts to ensure we can continue to provide important programming that centers and uplifts women and girls and inspires them to keep learning and working together during this challenging time.

Why Sponsor

- Showcase your organization as a supporter of innovative and relevant educational materials that empower women and girls
- Network with many of Connecticut's top civic and business leaders
- Recognition for your organization on promotional materials used throughout the year

Why CWHF

- Since 1994, the Hall has worked to create a more equitable future for all of us by sharing the stories of accomplished Connecticut women, empowering women and girls to reach their full potential.
- Proceeds from the event support the development of our award-winning educational materials which we provide to schools, businesses, and community organizations state-wide.

Educating Girls

Education Programs

2,615 students participated in CWHF school, STEMfems, and Financefems programs. Going virtual provided an opportunity to reach more students at one time, increasing our impact and driving our mission of educating students on the accomplishments of Connecticut women forward.

2,615 Students
INSPIRED

1,137 Adults
REACHED

Lesson Plans

Our lesson plans help young people connect the past to the present by uncovering the historical impact Connecticut women made. Each module is directly keyed to the Common Core State Standards and reinforces essential skills like critical thinking, information literacy, collaboration, and effective communication.

STEMfems Junior

We currently offer two modules featuring Dorrit Hoffleit a world-renowned astronomer and Barbara McClintock a famed geneticist and Nobel Prize winner.

Ms. Story

We currently offer three modules featuring Marian Anderson, Alice Paul, and Isabella Beecher Hooker.

Our Mission

The Connecticut Women's Hall of Fame honors the achievements of women by celebrating their legacies and telling their powerful stories, inspiring women and girls to realize their own limitless potential.

As the state's premier resource for Connecticut women's history, we accomplish our mission through education and community outreach programs for both students and adults.
